

HARYANA STATE AGRICULTURAL MARKETING BOARD.

1.	Name of Act, Rules and Byelaws under which the marketing of Agricultural produce is regulated and infrastructure is developed	Act: Punjab Agricultural Produce Markets 1961. Rules: Byelaws:																																																																		
2.	Agricultural Produce (the definition as pr Act)	“agricultural produce means all produce and commodities whether processed or unprocessed of agriculture, fleeces (raw wool) and skin of animal, forest produce etc. as are specified in the Schedule or declared by the State Government, by notification in the official Gazette, from time to time and also includes a mixture of more than such products; “agricultural means a person who is a resident of notified market area and who is engaged in production of agricultural produce by himself or by hired labour or otherwise, but does not include any market functionary. If a question arises whether any person is an agriculturist or not for the purpose of this Act, the decision of the collector of the district in which such person is engaged in the production or growth of agricultural produce shall be final;																																																																		
3.
